Hello,

This may come through as duplicative to you, Thomas, but I wanted to "Reply All" to make sure Alan was in the loop. I missed your message about an adjournment in the thread yesterday and just found it.

I am in agreement that we request the matter be continued to December 20, so that there is sufficient time to have a signed agreement in place.

Once that has been done, please let me know. And then when the settlement agreement is prepared, please also send that through.

Thank you for your help,  
Ben

Actually Mr. Beideman,  
If you will agree we can ask the court to continue the matter to December 20, 2022 and hopefully by then we will have a signed agreement and can then just mark the matter settled.  
Let me know if this is acceptable and I will advise the court.  
Regards
